

THE 2006 THANKSGIVING SHUFFLEBOARD TOURNAMENT

DANNY'S SPORTS BAR & GRILL
HOUSTON, TEXAS

By: MAHLON NOBLES

Thanks to everyone for another successful shuffleboard tournament hosted by Danny's Sports Bar & Grill. Danny's provided 6 great boards which allowed for a total of 55 registered players to participate in 5 main events with numerous draws and side action games. I would like to also thank Danny's Gracious Staff and Ruben for the fantastic Free Thanksgiving Buffet.

I take my hat off to the following players for the contributions they made towards the Tournament's success, they include; Kelly Cameron for his help in tweaking the boards and helping with the dust, Harvey Kidd and Jack Davis with the Sponsor Sales (a tough job using a defective microphone), Bill Rice for a great job running the brackets while chasing down players to assign boards to without a microphone. He also helped with the registration, dust, putting up with me and on top of everything else he also participated in most events.

Most of all, my wife Linda deserves the credit for directing this tournament and keeping us all inline. On her birthday she'd rather be with her shuffleboard friends and running a tournament, than in the Bahamas, with me (Hmmm) (LOL).
