

Whistling Oyster Bar — Welcome to Quilcene

Mother's Day Special (AB Bring Your Own) May 9-11, 2008

May 9-11, 2008 (Quilcene, WA): The tournament was small as usual, but we had strong players. Friday night draw produced good A-B winners, with Claire Kenney & Norm McVeigh and Gary Dupont & Mike Waters splitting 1st place. All were from Washington.

The bring you own A/B produced two players who never went to the losers bracket being Kenny Simmons and Ted Ausbun, both from Wa. Darrol Nelson and Alan Graves were second, both from Oregon. We had a great Mexican feed on Saturday.

We are hoping to see everybody at the August Tournament (Grand Masters). [\(Click here to view flyer\)](#)
