SINGLES & DOUBLES

The Singles and Doubles events are open to all ASPA members in good standing. New members can join on-site and play in our event. Players are divided into divisions by their ASPA Skill Level. New members are assigned a skill level based on Bower's rating. If a player has no Bower's rating, they will enter as a Skill Level 7.

We'll have multiple divisions of Singles and Doubles playing all day Wednesday through Saturday. Teams and players are vying for their spot in the Finals!

Doubles Format

- **Qualifying Squads** with 4 teams in each group
- Each team will play 3 games, one game against each of the other teams
- The top 2 teams from each group will play a one-game match to see who advances to the Finals on Saturday Night
- Players earn money for each game they win with **Instant Cash**

NEW THIS YEAR ★

All singles and doubles squads will have assigned days and time — no need to wait around all day to see when you play!

Singles Format

- **Qualifying Squads** with 8 players; 2 groups of 4 players in each group
 - Each player will play 3 games, one game against each of the other players in their group
 - The top 2 players from each group will advance to a 4 Player - Single Elimination Bracket called the **Qualifying Squad Finale**
 - The winner will advance to the Singles Semi-Finals on Sunday
 - Players earn money for each game they win with **Instant Cash!** (See Divisions)
- There is also **Bracket Cash** in the **Qualifying Squads** so even if you don't win your Squad, you still win more cash than the players who don't make it to the Qualifying Squad Finale
 - The Singles Semi-Finals Format will consist of 1 or more groups of 4-6 players in each group
 - Each player in the Semi-Finals will play a minimum of 6 games and the stakes go up in the Semi-Finals as the **Instant Cash** per game **DOUBLES**
