April 13th and 14th marked the dates for the 3rd Annual City vs City 6-Person Bring shuffleboard tournament at Doc's Shuffle Inn in Stockton MO.

We had six great teams show up for the event. Two each from St. Louis and Stockton, and single teams from Kansas City and Springfield.

The weather was terrible, but the

shuffleboard was excellent. Each match was hotly contested and everyone seemed to have a great time.

In the end, St. Louis captained by Jerry Romay with team members: Larry Romay, Jimmy and Donna Dunn, Mike Simpson and John Boyer took first place honors by double dipping Stockton. The Stockton team members were: Doc, Justin, and Pam Bendickson, Casey Atkins (The future Mrs. Justin Bendickson), Gary Johnson Sr. and Steven Geer (with Casey shooting great like she did, she is going to fit right in with the Bendickson clan).

The final game came down to a rubber match with St. Louis winning 15 -14. This gives St. Louis two wins out of the first three years.

Third place honors went to last years winner, the team out of Kansas City. The team members were: Mark and Barb Gray, Glen and Sandy Tubbs, Bob Duer, and Gary Ferrou.

This tournament is truly unique, and is one of the more enjoyed tournaments of the year. Each year the competition gets better and better, and the matches become more closely contested and watched. As always, Missouri Shuffleboard players prove to be the greatest group of people I have ever been associated with. The sportsmanship and caring for their fellow players is awesome and unique to this game.

I want to thank everyone for participating in the tournament, and for the special contribution to help with the sewer repair. You guys are the BEST!
