On May 16th & 17th the Eagles Lodge # 3934 hosted the annual Spring Shuffleboard Tournament.

There was a great turnout of both participants and spectators. As always, you could tell everyone had a great time seeing old friends and meeting new acquaintances.

The tournament format, was a two division, bring partner event. Play begin with 12 teams in division A and 10 teams in division B.

After a flurry of games those surfacing to the top in *A division* were:

3rd place went to Woodie Cockrum and Jim French.

2nd place went to Roger Ellison and Andy Friedhofen.

1st place honors went to John Boyer and Gary Hagerty.

In the *B division*:

3rd place winners Carolyn Deke and Anthony Russell

2nd place winners Kay Walker and Debbie Libscomb
(Note: Neither of these two teams members had met personally prior to game day.)

1st place honors went to Terry Russell and Danny Stevens.

As always, thanks to the Eagles Lodge #3934 for the invitation to play in their facility.

And to the ladies auxiliary for the tasty food to nourish our players, we appreciate and thank you for all your efforts. The freshness of your food, and catering to special orders, is reason enough to come to these events.

Last but not least, hats off to the participants in our "lag off" contest. We split the entry money with the lag off winner, Jeff Ward of Houston, MO and contributed \$45.00 to the ladies auxiliary toward the Relay of Life Walkathon next month. Everyone came out a winner in this event!
