Mixed Doubles Winners (14 Teams/28 Players)

The annual Jack & Jill Mixed Doubles tournament was hosted at The Post, Cedar Park, Texas on Saturday, February 10, 2007.

The Mixed Doubles Handicap event (max. 4 pt negative handicap) had 14 teams participating in this single game/double elimination event. The finals were completed in the wee hours.

Ronnie McMellon (The Post Owner) and Dee Quiroz, as usual, were great hosts. Many thanks to them for hosting this annual event. All participants and spectators had a wonderful time.

Holly Kofod did a great job on the photos and winners plaques (framed 8X10 photos with decorative heart borders were given to all the placement winners). Unfortunately, these framed photos provided on a CD had a virus, so could not be saved and published in this result report.

The Post hosts many events throughout the year, sitting on 3 acres with a lot of space for parking and RVs. If you haven't had the opportunity to join the competition at The Post, you should consider doing so. Great hospitality and frequent play. Weekly tournaments are held on Tuesday, Friday, Saturday, and Sunday. Every 3rd Saturday of each is a \$20 single game/double elimination Open Draw (max. 4 pt negative handicap) with sponsor sale where typically there are approximately 40 players or so participating. 1978 while owners of Larry & Ray's Tavern in Tacoma.
