Cedar Park, TX (July 16, 2005): Eighteen teams arrived at The Post in Cedar Park, Texas where Ronnie McMellon (Post Owner) hosted this "Add to 5" Bring Partner (double elimination) tournament event. There were even two out-of-state players that came in for play, being the team of Angie Moore (St. Louis, Missouri) and Matt Kodesh (Tulsa, Oklahoma).

The Post has recently put in a third in-house board and borrowed an additional board from Taz Country for this event (making 4 boards available for the tournament play). Many thanks go out to Taz Country for loaning the extra board, as it really helped move the brackets smoothly in this double elimination event. Once the tournament finals were moving along, the 4th board was released for side/challenge matches.

There were 18 teams entered in the event (\$50 entry/team). The event paid out 3 spots for 1st thru 3rd place winners (60/30/10). The total pot was \$2,730 (\$900 entry + \$1,830 sponsor monies). Sponsor sale started about 3pm and finals ended after midnight. For the players that were not listed on the most current *Bowers' Ratings*, the local *Post Ratings* were used in the entry criteria determination for the "add to 5 or more" teams. Winners were (pictured below):
