Many thanks go out to Kathy Yingst for doing a great job with the registration and sponsor sales and to Tony Leier for running the bracket boards. Even though we had a few glitches, all in all, things ran pretty smoothly. Thanks to the Elks Lodge #2088 for doing a great job making sure all our needs were fulfilled. The food was superb, as was the hospitality.

We had some problems with the camera and did not realize the camera we were using was not actually working. We will make sure next year that we have our camera tested and working.

You will find winners photos (ones we have) on the next two pages. Thanks to all who attended!
