## **CFSA BLAST OFF AND FLORIDA OPEN 2007 Overview**

### **GREAT TURNOUT:**

**With eight states and Canada represented we had a near record player participation in our eight events over a two-week period. Lots of old friends playing together and some newcomers. Thanks to all who traveled the distance to play shuffleboard.**

### **OUR POSITIVE HANDICAP SCORING:**

**This handicap system is easy to figure and to apply and it went very smoothly at the tournaments. We like it very much. However, we had several suggestions from players that we respect and in all fairness we will discuss each suggestion at our next CFSA meeting.**

### **OUR HOSTS:**

**A special "Thanks" to Moose Lodge #1962 and volunteer members for your cooperation with the CFSA in presenting the "Blast Off" and "Florida Open" tournaments. Just a super job by the Moose Lodge and the CFSA volunteers!**
