The 7th Annual Houston Memorial Open Shuffleboard Tournament was held at Danny's Sports Bar & Grill on May 26th thru May 29, 2006. The turn out was great having 102 registered players. Over \$35,000 in prize monies was paid out in 9 events, in 4 days.

All events were played on 8 great boards, using Federation wax and spray. All events started on time thanks to a great staff, and most completed that night, with the exception of a couple of finals that had to be completed the next morning.

Danny's provided complimentary sodas, coffee, and water, under the tent, to all participants. A complimentary lunch was also provided daily to all players. They say the food alone was worth the trip.

As always a successful tournament can only be accomplished by the great help and contributions of a great staff. Many thanks to all who donated there time and expertise.

- Linda Nobles, Mollie D'Spain, Denise Klein -Registration Desk
- Bill Rice, Brian Walker - Bracket Boards
- Kelly Cameron, Brian Walker, Mahlon Nobles - Board Set-up and Adjustments
- Harvey Kidd - Sponsor Sales
- Mahlon Nobles, a special thanks to Mahlon for the beautiful award plaques which included winner's names and color photo directly on the plaque... they were his brainchild and all the players raved about them. Mahlon did all the work and picture taking.

It was a great tournament, thanks to all the players who participated, especially all the out of towners who traveled the road ways. Hope to see you all again next year.
