### September 1-3, 2005: (Grandview, MO):

The MSPA's 4th Annual Missouri State Championships were held over Labor Day Weekend this year at the Grandview Elk's Lodge, 13600 Arrington Road, Grandview, Missouri on September 1-3, 2005. This annual event is typically held in October. This year's tournament was originally planned for October 7-8th, but the lodge had a room booking conflict with the October planned date -- therefore, the date for this year moved back to September over the Labor Day weekend to resolve room booking issue.

The tournament kicked off on Thursday, September 1st with a 6-Person Team event. The 1st place undefeated team of Mike Simpson's included: Mike Simpson, Woodie Cockrum, Alan Foster, Super Sam Eveland, Gary Swain, Rhonda Proffer. The 6-Person Team event went into Friday, so the 2nd and 3rd place teams did a split, so that they could get on with the Singles events on Friday. Splitting 2nd and 3rd place were the teams of Chuck Muehlhauser and Rick Pittman.
