We would like to thank the 31 players who showed up on very short notice to show their respect for our California Shuffleboard Hall of Fame inductee George Camara. We would also like to thank John Azevedo (owner of the 133 Club) in Manteca for his support and great food. Also, kudos to my partners in crime: Dan Mourgos and Dave Keithahn for their help. Many thanks to Kathy Thomas, who worked countless hours putting together a great hall of fame booklet.

Addendum Comment (by Jane Mourgos):

"I'd like to add that Rick Thomas and his wife Kathy did a tremendous job in putting the tournament together in a short period of time. If it weren't for him, this tournament would not have happened and he should be credited with keeping shuffleboard alive in Northern California!" -- *Jane Mourgos*

CONGRATULATIONS TO GEORGE CAMARA (Above)...
for his well deserved induction into the California Shuffleboard Hall of Fame!
